AMAA SUPPORT PROGRAMS

As far as permitted (Covid regulations), AMAA is proud to be able to offer a range of support services for our members and their families, friends and carers including:

- Mesothelioma & Lung Cancer Network
- Carer Wellbeing
- Butterfly Gathering (for bereaved family members)
- Telephone information and listening service (call for a chat, a catch up or for help!)

We encourage you to reach out if you require any assistance or support. We are here to help.

AMAA BUS TRIP

At the request of our members, we are planning a couple of bus trips for this year. Ideas for the outings will involve a short bus ride and a lunch venue. We are investigating possible destinations including Ballina and a stop on route, Tropical Fruit World amongst others. We aim to host a bus trip in the first half of this year if there is sufficient interest from our members.

To register your interest or offer any feedback on a proposed bus trip, please contact us on 1800 017 758 or pop into the Centre to give us your insights.

CALL FOR VOLUNTEERS

AMAA is a not-for-profit organisation that was developed by patients for patients. We run on the good will of our team of dedicated volunteers. We are always seeking volunteers to help at AMAA events and in the Centre. Please contact us to volunteer an hour or day to our organisation. We rely on our volunteers who are the backbone of our organisation and give us the ability to serve our members.
